SUBJECT: James Kees

Dear Pam:

Thank you for sending all the information on the above named individual. This will be helpful and enable us to identify Mr. Kees should he try to register in some other location as well as have necessary documentation for refusal of registration attempts.

The only things I feel should be added to our file are copies of the statements made by the individual youths. If we could have copies of these statements, it would strengthen our file.

Thank you for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Mr. James S. Kees

Cocoa, FL 32926

Dear Mr. Kees:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Tom Riggs
Council President

CONF014523

Report of Tim Bubb, Field O.Rector

Kees

Friday, July 24, 1987

- approx 4:00 p.m. - received call at home from Pam R. concerning allegations made by 5 Scouts in T70 about provisional Son at camp. [REDACTED] had called her & after speaking w/Ron by phone he told her to call me.
- immediately after talking w/Pam, called Jack S. at camp to notify him that we had a possible problem. Told him I would call him back after I spoke w/Ray.
- immediately after talking w/Jack, called [REDACTED] at work. He related to me that 5 boys in his troop were at La-No-Chi in the provisional troop & had made allegations against Jim Kees, provisional Son, related to touching their private parts while in the pool, putting boys in trances, having a boy sit on the ground w/him w/ their legs interlocked & going touching, espousing a strange religious point of view & discouraging their attendance at chapel, acting strangely at night by practicing karate against trees, and generally scaring the boys. He told me that he & the bishop of their LDS Ward had ~~contacted~~ met w/the boys & emphasized how serious this was & that they had better be sure this is true. He & the bishop were satisfied they were telling the truth. The boys had reported this to him on Tues. or Wed. & he had waited to 1:00 pm until Sat. 1:00 pm. 1:00 pm. 1:00 pm.

they had moved their
to another LDS troop or
well.

that they were being truthful! He said he was planning on going to camp that evening. I told him I would call Jack S. back + relate this to him + that I would have Jack call him, so he could hear it first-hand, also.

- immediately called Jack + told him to call Ray.

Steve H. suggested that we get boys' statements in writing + Jack agreed to do that. We decided that Jack would call me after meeting with each boy individually + we would further decide what to do, but it seemed at that time that we should plan on getting Kees out of camp.

- approx. 11:00 p.m. - hadn't heard from Jack so I called him. He said they weren't through talking w/ the boys, but would call me back within a 1/2 hour or so.

- approx. 11:20 p.m. - Jack called me + said that he, Mike T., Ray W., + Bishop Blackenship had met w/ each boy individually. Mike had taken notes + each person signed them verifying their accuracy. From listening to some of the allegations + from Jack + Mike's recommendation, we decided to remove Kees from camp. Jack requested that I assist him with this + I told him I would be there as soon as I could.

- approx. 1:00 A.M. - arrived at camp. Asked Jack to call the Sheriff to request that they have a deputy

in the general area just in case we need him. Mike, Jack, + Pete F. were very apprehensive. Pete, Chris M., + Benny H. went to get Kees. Benny was to stay w/ the provisional troop. Found out that the 5 boys had left camp that evening + gone home. When Kees came in I told him he was suspended based on the allegations + would need to leave camp as soon as possible. After some arguing, I allowed him to read the signed notes. He then agreed that this was the best course of action + ^{he} was being treated in a fair manner. His car was not running + he asked if he ride to Cocoa on Sat. + come back on Sun. to get his car. We agreed + told him to get his gear + move to Craig Cabin #2 for the rest of the night + to avoid contact w/ the campers. Chris + Pete escorted him.

Saturday, July 25, 1987

- approx. 10:00 A.M. - called Jack + he said everything was going well + it appeared that Kees would be able to leave that morning because he was working on his car right then.

~~Monday~~ Sunday, July 26, 1987

- called camp + talked to Pete. He said everything was fine + that Kees had left on Sat. morning w/ no trouble.

Monday, July 27, 1987

- called Ray Webb at work to tell him the action we had taken. He told me that one set of parents had indicated to him that were going to file charges. He said he had tried to dissuade them from doing so because he personally did not think they had enough to go on.
- immediately called Jack at camp to tell him my conversation w/Ray.

Tuesday, July 28, 1987

- talked w/Ron C. by phone + related to him what had happened. He felt we had handled it properly but suggested I call Richard Parkinson to be sure.
- after trying to reach him several times, Richard called me at home at approx. 6:45 p.m. I related to him what had happened. He agreed we had handled it properly ~~but~~ except that we should have notified HRS. He also suggested that I notify Dave Hedrick, council attorney.
- immediately called Jack S. + told him to call HRS in Lake Co. first thing in the morning.

Wednesday, July 29, 1987

- approx. 9:00 A.M. - called Dave H. + related to him what had happened. He agreed we had handled it properly, but suggested we notify our insurance co.

.. carrier + also suspend Kees' membership to
.. prevent him from working w/ a troop. If we
.. didn't, we could later be found to have been
.. negligent.

- .. had Eleanor check + found that Kees is registered
.. as an SA in T706.
- .. asked Richard B. about insurance carrier + he
.. suggested I talk w/ Ron C. on Thurs.
